

## Cisco Computer Networking Academies Dual Credit for Students

---

Dual credit is available to high school juniors and seniors who are enrolled in the Cisco Computer Networking Academies program at an official North Dakota Academy site. **Dual credit must be approved, first, by the high school institution.** Dual credit has already been approved by the following post secondary institutions:

Bismarck State College  
Attention Registrar  
<http://www.bsc.nodak.edu/>  
1500 Edwards Avenue  
Bismarck, ND 58506-5587

Lake Region State College  
<http://www.bsc.nodak.edu/>  
1801 College Drive North  
Devils Lake, ND 58301-1598

Minot State University – Bottineau Campus  
<http://www.misu-b.nodak.edu>  
Attention Registrar  
105 Simrall Boulevard  
Bottineau, ND 58318-1198  
(701) 228-5451

North Dakota State College of Science  
<http://www.ndscs.nodak.edu/>  
800 N. 6th Street  
Wahpeton, ND 58076-0002

Williston State College  
1410 University Avenue  
Williston, ND 58802-1326

The cost of dual credit varies slightly from institution to institution but is typically around \$330 per semester for the 4 credit Cisco course. Dual credit is available for all 4 of the Cisco Semesters.

### Steps to receive Dual Credit:

- (1) Determine the college from which you would like credit.
- (2) Students who have never received dual credit must fill out the University Application Form. This form is on-line at: [http://www.rdb.und.nodak.edu/www\\_ea/plsql/ea\\_home](http://www.rdb.und.nodak.edu/www_ea/plsql/ea_home)
- (3) Download, complete, and mail the universal dual credit application to the address of the selected college. The dual credit application is available on-line at:

<http://www.dpi.state.nd.us/forms/sfn51295.pdf>

➔ Click on Enrollment Forms and then Dual Credit

When identifying the College Course Information insert the following:

If you are currently taking Cisco Sem 1 in High School insert:

College Course Title:	<b>Cisco Networking</b>
College Course Number:	265
Number of Credits:	4

If you are currently taking Cisco Sem 2 in High School insert:

College Course Title:	<b>Cisco Routing, Configuration, and Troubleshooting</b>
College Course Number:	266
Number of Credits:	4

If you are currently taking Cisco Sem 3 in High School insert:

College Course Title:	<b>CISCO Switching &amp; LAN Topologies</b>
College Course Number:	267
Number of Credits:	4

If you are currently taking Cisco Sem 4 in High School insert:

College Course Title:	<b>CISCO Switching &amp; Project Management</b>
College Course Number:	268
Number of Credits:	4

- 5. You will receive an invoice for the credits from the college once they receive your information.**
